

## BRISBANE PROGRAM FOR MARCH 2012

### IMPROVING YOUR TRADING AND PORTFOLIO MANAGEMENT

**George Beyrouthi** BSC, MBA, Dip. Fin. Serv. and ATAA past president of Sydney Chapter. George is a director of FS Securities (QLD) Pty Ltd and has spent the last five years as a professional trader and educator. He endeavors to share his knowledge with his clients and has worked as a broker, technical analyst and most recently as an educator and mentor for clients. The experience he has gained through the last 25 years has helped him to improve his trading approach.

**George Beyrouthi** will cover as much content as possible from the twelve hour course he regularly presents. In the first hour he will look at the eight habits of effective trading, mechanics of trading and the importance of portfolio management. In the second hour he will be talk about his GB8 mechanical system. George will explain how the technical indicators work and why he includes them in his mechanical system. If time permits, for the last few minutes he will touch on options.
