

A-REITS AND COVID-19

Australia

How have A-REITs performed over the past few months, who have been the winners and losers, and what is the outlook for the sector.

Guest Presenters

JONATHAN KRISKA

Portfolio Manager, Listed Securities. Charter Hal

Jonathan has over two decades of experience in funds management and stockbroking, most of which has been focused on the property sector. He joined the Maxim team in 2018 after a long stint as a leading sell-side equities analyst in the REIT sector. He also has had significant experience in property funds management with roles focusing on capital raising; due diligence; product development; asset management; investment management; and marketing.
