

HOW DIVIDENDS CAN HELP SOLVE THE RETIREMENT INCOME CONUNDRUM

Your home or office,
Australia

Don and Peter will discuss: The long term performance of ASX dividends compared to cash and other 'safe' assets, where to from here for dividends (the impacts of COVID-19 and good, the bad and ugly for ASX dividends in 2020) including stock-specific examples . As well as avoiding dividend traps and Franking credits and why it's important for investors, particularly retirees, to manage portfolios on an after-tax basis.
