ALEX DUFFY

Portfolio Manager, Fidelity Global Emerging Markets Fund

Alex Duffy joined Fidelity in 2004 as a European Business Services Analyst and has been portfolio manager of the Fidelity Global Emerging Markets Fund since 2013. In 2005, Alex joined the EMEA team as a research analyst covering raw materials and natural resources, both of which are key sectors in Latin America. In 2007, he took over management of an EMEA pilot fund while retaining research responsibility for natural resources.

He was appointed co-manager of the Latin America pilot fund, alongside Angel Ortiz, in 2008. In April 2009 he was appointed co-manager of the Fidelity Funds Latin America Fund. Since 2013, and in addition to his Latin American regional responsibilities, Alex has been developing a global emerging market strategy.

Alex holds an MA in Economic Analysis from the University of Nottingham.
